William Elkington

President and CEO, JV Driver Group

Leduc, AB
PH: (780) 980-5837
E: dfersovich@jvdriver.com

Mr. Elkington is President of the JV Driver Group of companies. Born in Whitehorse, Yukon, Bill grew up in Vancouver, studied Engineering at UBC, and since 1989 has been at the forefront of growing JV Driver from a two person operation on Vancouver Island to a large, multi-national corporation that provides industrial construction, fabrication and maintenance services to the natural resource sectors, as well as commercial and heavy civil construction services, and solutions to the environmental challenges facing ship owners. JV Driver's core values are Take Care of Each Other, Be Innovative, Build Great Things and Have Fun. These values along with our core purpose of "Think Different, Build Better" have helped the JV Driver Group to grow and prosper, creating opportunities for our people, and value for our clients. JV Driver has flourished and developed into an industry leader as a result of exceptional multi-discipline industrial construction capabilities, an absolute commitment to safety, quality, execution and excellence, and by aspiring to be one of the most innovative contractors around. With offices in British Columbia, Alberta, Newfoundland, Arizona, Texas and Louisiana, JV Driver has significant partnerships in North America, Europe and Asia, and employs up to 5000 people. They have completed projects as large as \$2 Billion in the Canadian Oil Sands and do more than \$1 Billion of work annually in Canada, the United States and Caribbean for some of the largest clients in the world. Mr. Elkington won the Entrepreneur of the Year Award for the Prairie Region in 2010 and JV Driver also received the "Canada's 10 Most Admired Corporate Cultures 2010" award. JV Driver is consistently recognized as one of "Canada's 50 Best Managed Companies".

Ian Mallory

President, Pickworth Investments LP

Calgary, AB
